About Company

Saudi Inspection Company (SIC) is a certified leader in training, inspection, and certification services for lifting equipment and welding operations. With a relentless focus on safety and quality, we empower industries to minimize risks, ensure regulatory compliance, and optimize operational efficiency.

Vision

To revolutionize industrial safety and precision by becoming the global benchmark for equipment integrity – where every lift is secure, every weld is flawless, and every measurement is exact.

Mission

To safeguard lives and optimize operations through uncompromising training, inspection, and calibration services – delivering expertise today while innovating for tomorrow's challenges.

Our SERVICES

Training & Certification

HSE Training & certification
Operator Training & Assessment

Welding Inspection

UT: Ultrasonic Testing
MT: Magnetic Particle Testing
PT: Penetrant Testing
ECT: Eddy Current Testing
PAMI: Visual and Manual Inspection

Inspection & Certification

Crane & Lifting Equipment Inspection
Earth Moving Machine Inspection
MEWP's & Industrial Machine Inspection

Calibration & Testing

Mechanical, Electrical &
Thermal
Process, Force & Mass
Instruments, Gas, Water
Hydraulic & Valve Testing

Training & Certification

HSE TRAINING PROGRAMS

Hydrogen Sulfide (H₂S)

First Aid & CPR

Fire Fighting - Fire Watcher - Fire Warden

Emergency Response

Defensive Driving

Confined Space (Entry-Supervisor-Rescue)

Permit-to-Work (PTW) (Receiver - Issuer)

Lockout Tagout (LOTO)

Fall Protection - Working at Heights

Authorized Gas Testing

HAZCOM

H₂S - SCBA

Respiratory Protection & Breathing Apparatus

Scaffolding (Erector - Inspector - Supervisor)

Rigger LV (I-II-III)

06/11

Training & Certification

OPERATOR TRAINING PROGRAMS (THEORITICAL & PRACTICAL)

Hydro Jetting Operator
Pipe fitter Operator
Sandblaster Operator
Cable Detector Operator
Backhoe Loader Operator
Bobcat Operator
Scissor Lift Operator
Boom Truck Operator
Ship Loader Operator
Crawler Crane Operator
Air Compressor Operator

Mobile Crane Operator
Telehandler Operator
MEWP Operator
Tower Crane Operator
Overhead Crane Operator
Vacuum Truck Operator
Excavator Operator
Winch Operator
Forklift Operator
Bulldozer Operator
Front End Loader Operator

Gantry Crane Operator
Jacking & Sliding Operator
Pick & Carry Crane Operator
Super Sucker Truck Operator
Reach Stacker Operator
Wheel Loader Operator
Rough Terrain Truck Operator
Dump Truck Operator
Skid Loader Operator
Forklift Operator
JCB Operator

We provide comprehensive practical training programs for operators, from foundational to advanced levels

NDT SERVICE

Conventional NDT Services

1. Visual Testing (VT)
2. Liquid Penetrant Testing (PT)
3. Magnetic Particle Testing (MT)
4. Ultrasonic Testing (UT)
5. Radiographic Testing (RT)
6. Eddy Current Testing (ET)

ADVANCED NDT Services

1. Phased Array Ultrasonic Test (PAUT)
2. Eddy Current Testing
3. Positive Material Identification (PMI)
4. Remote visual inspection (RVI)

A worker in a blue hard hat and yellow safety vest is inspecting a crane hook. He is holding a yellow handheld device with a black cable. The background is a blurred industrial setting.

INSPECTION & CERTIFICATION

Mobile & Fixed Cranes Inspection

Lifting Equipment Inspection

Earth Moving Machine Inspection

Load Test, Reporting & Certification

Heavy Vehicle Inspection

MEWP's Inspection

Industrial Equipment Inspection

Calibration & Testing

Mechanical	Length, angle, volume, density, pressure, vacuum, sound, pressure gauges, test sieves
Electrical	AC/DC current/voltage, resistance, capacitance, frequency, power, energy meters
Thermal	Temperature, humidity (RH), thermometers, calibrators, sensors, furnaces
Mass	Weights, balances, pipettes, glassware calibration
Force	Torque, compression, tension, hardness testers, torque wrenches
Special Purpose	Welding machines, flow meters, multi-calibrators, lux meters, anemometers
TESTING	Hydraulic & Valve

At SIC, we don't just deliver services – we deliver operational confidence. Whether through hands-on training, rigorous inspections, or cutting-edge NDT, our mission is to protect your people, equipment, and productivity.
